

THE GOD GAME GENRE NEEDS YOU!

YOUR MISSION – GAME PROGRAMMER

42 Bits Entertainment is seeking a talented **Game Programmer** for the development of their **god game Fata Deum**.

As a **Game Programmer** you have **great passion** for games and its development, too.

You are **experienced** in the use of **game engine toolsets** such as **Unity**.

You will have a **strong responsibility** on various development steps related to **our core software**.

YOUR RESPONSIBILITIES

- **Integrate, maintain and modify Unity code assets**
- Maintain and **extend the Fata Deum code (C#)** in various areas: UI, AI, Controls, etc.
- Test and **eliminate bugs**
- **Conceptualize, prototype, code, test and integrate** own software components
- Create **amazing gameplay logic** to improve the overall quality of the game
- **Estimate efforts**, choose your tickets and **improve your skills sprint by sprint**
- **Collaborate with the team** to create engaging gameplay scenarios
- **Contribute to the overall game** wherever you like

YOUR PROFILE

- **Enthusiastic gamer with a passion for game development**
- **Experienced** in working with game engine toolsets (best: Unity)
- Ability to **work well independently** and **within a team**
- **Minimum 3 years game programming experience** with a **strong portfolio**
- **Fluent** in written and spoken **English**
- **Experienced with Unity** is a plus
- **Experienced with C#** is a plus
- Willing to **relocate to the area around Jüchen**, Germany
- EU citizen or a valid **working permit** for **Germany** is required

WHY 42 BITS ENTERTAINMENT?

MAKE AN IMPACT

You **take responsibility of key aspects** of our god game Fata Deum.

Instead of being just a small wheel in a big company **each of your decision matters!**

GROWTH OPPORTUNITIES

Becoming a part of a small but growing indie developer **provides great career opportunities.**

Become part of the core team, learn from experienced game developers, work with **uptodate and AAA-quality toolchains** and grow with us!

BECOME INDIE

You work in a small indie developer company with an open feedback culture.

Flat hierarchy, fast decisions, fast iterations, no politics: just pure game development!

WORK-LIFE-BALANCE

We offer **flexible working hours and an inspiring and ergonomic work environment.**

In addition, **livelihood is inexpensive** around Jüchen, while nearby cities like Düsseldorf, Cologne, Neuss and Mönchengladbach have a **lot to offer in your free time.**

DOGS!

We are a **dog-friendly company!** Wuff!

And coffee and water are free 😊

ABOUT US

42 Bits Entertainment is an **indie developer company** founded with one specific purpose:

Let's get the god game genre back!

Providing the player with **large powers** and a **free choice** how to use it is so unique!

We believe that such a **high degree of interactivity and freedom**

makes god games such an outstanding experience!

We purely miss this genre and it is time to get it back!

Besides our mission statement we strongly believe in the [**Agile Manifesto**](#):

Individuals and interactions over processes and tools

Working software over comprehensive documentation

Responding to change over following a plan

Customer collaboration over contract negotiation

That is, while there is value in the items on the right, we value the items on the left more.

If you have **similar believes** and would love to **support us** to get the god game genre back,

contact us via
